Most applicants apply to the BYU Marriott School of Business the summer after their sophomore year. Each program starts at the beginning of a new academic year.

- **Deadline to apply for Fall is the last working day of June by 4:30 p.m.**

The sequence of courses suggested may not fit the circumstances of every student. Students should contact their advisement center for help in outlining an efficient schedule.

Students are encouraged to complete an average of 15 credit hours each semester or 30 credit hours each year, which could include spring and/or summer terms. Taking fewer credits substantially increases the cost and the number of semesters to graduate.

THE DISCIPLINE

Strategic management centers on a company’s strategy, a plan to gain and sustain competitive advantage. This plan reflects how company leaders think about what it takes to succeed in their market and offer unique value to customers. Strategic management is designed to teach students how to collect and analyze information about competitors, customers, and the resources and capabilities of the company; as well as how to use this analysis to make and implement recommendations to a company about where to invest and what actions to take, over time, to achieve superior performance.

CAREER OPPORTUNITIES

Specific positions that may be available with a degree in strategic management include: business managers, business analysts, consultants, and corporate strategists.

GENERAL INFORMATION

Students are encouraged to apply to strategic management the summer after their sophomore year, as soon as they have completed the prerequisite courses. BYU Marriott School majors are limited-enrollment programs and the application process is competitive. For assistance in preparing for the application process, it is highly recommended that students visit the BYU Marriott Undergraduate Admissions Center.

  management (e.g., relevant coursework, work and
  internship experience, club involvement, etc.)

Prerequisite courses must be completed before the application
deadline. Applicants with at least a 3.0 in the prerequisite
courses are preferred. When prerequisite GPA is calculated,
