BS in Elementary Education (356020) MAP Sheet

Education, Teacher Education

For students entering the degree program during the 2017-2018 curricular year.

A BS in Elementary Education leads to licensure in kindergarten through grade six (K-6). This major is designed to prepare students to teach in public schools. In order to graduate with this major, students are required to complete Utah State Office of Education licensing requirements. To view these requirements go to http://education.byu.edu/ess/licensing.html or contact the Education Advisement Center, 350 MCKB, (801) 422-3426.

THE DISCIPLINE:

Elementary Education prepares teachers who, having gained their own liberal education, help elementary-school-aged children learn by improving the teaching they receive in the home, school, church, and community. In the Elementary Education teacher preparation program, students enhance their thinking abilities, build their confidence in exploring new ideas, and become self-motivated, independent learners.
