BA in Theatre Arts Studies (485934)
2020-2021 Program Requirements Cont...

THEATRE ARTS STUDIES MISSION STATEMENT:

We develop scholar artists who are inspired by the restored gospel of Jesus Christ and who build on the great performance ideas of the past and present to become the innovators of the future.

We believe students who graduate from BYU with a degree in Theatre Arts Studies (TAS) should have five qualities that will help them achieve their goals and fulfill our mission statement:

- **Knowledge** of the field, of their own goals, and of the multiple possibilities for their future
- **Responsibility** for their own learning and for those they work with as part of a community of scholar artists
- **Innovation** in creative and critical thinking, in practical application of skills, and in vision for the future
- **Advocacy** for themselves as scholar artists and for the arts in general
- **Testimony** of the restored gospel of Jesus Christ

THE DISCIPLINE:

The study of theatre and media arts is truly a study of humankind and our attitudes toward ourselves. Since art is a mirror of human society, the specific disciplines of theatre and media arts cover our innermost attempts at comprehending our existence through all time.

The BYU theatre program is designed to educate theatre makers, students who have a basic foundation in dramatic literature, theatre history, performance skills as both actor and director, and techniques in all areas of theatre design technology and production.

**FINANCING FOR EDUCATION:**

The department offers assistantships in our scenic and costume studios, backstage in facility management, properties, scenic art, and in the classroom and labs at various levels of responsibility. While some department scholarships are available to incoming students, department Merit Awards and university scholarships are available to continuing students. Contact the Theatre and Media Arts Department for more information.
HONORARY SOCIETIES AND CLUBS:
The department is actively involved in the American College Theatre Festival, the Association for Theatre in Higher Education, the Utah Theatre Association, and the United States Institute of Theatre Technology. All are organizations with yearly conferences for faculty and students at various locations across the United States. The department also hosts a Student Theatre Association and a Student Film Association.

FACILITIES:
The Theatre and Media Arts Department is housed in BYU's Harris Fine Arts Center, which contains four theatre spaces. The deJong Concert Hall is a 1,268-seat concert hall. The Pardoe Theatre is a 509-seat proscenium stage with a full revolve and fly system. The Margetts Arena Theatre is a varying-seat, blackbox facility offering a creative theatrical environment. The Nelke Experimental Theatre is a 215-seat proscenium stage with an elevator stage and is used principally for productions that are student directed, student designed, and student acted. This space houses new productions every week. The department also has its own scene shop, fully equipped to work in wood, metal, and plastics; costume shop; makeup lab; and computer drafting studio. Our department also affiliates with the LDS Motion Picture Studio, KBYU and BYU-TV.

CAREER OPPORTUNITIES:
The theatre program provides training and experience in all areas of theatre, from performing to playwriting, from teaching to technical production.

See faculty advisor list for each area of interest in the TMA Office (D-581 HFAC).
