BA in Spanish Teaching (555422)
2022-2023 Program Requirements Cont...

CAREER OPPORTUNITIES:
The Spanish Teaching Major Program prepares students with the professional knowledge and experience required to become licensed middle and high school Spanish teachers of adolescents in public, private, and charter schools. The program aims to develop a broad foundation in both the Spanish language and Hispanic literatures and cultures. It also provides learning experiences that capacitate graduates to develop cutting-edge curriculum, to plan innovative lessons and assessments, and to support diverse learners through interactive instructional strategies and technologies. Program graduates become professionally engaged teacher-leaders who actively contribute to the broader field of world language education as classroom teachers, curriculum developers, instructional leaders, language program coordinators, and online course instructors. Many of our program graduates also combine the professional skills they gain in this program with advanced degrees that qualify them to work as administrators, curriculum or technology specialists, and professional consultants in fields such as business, government, technology, and translation and localization.

In order to apply to the major, students must first declare a Spanish Teaching pre-major and complete FLANG 276 (Exploration of Language Teaching), offered on the first block during Fall and Winter semesters. Immediately upon completion of 276, students may apply to the Spanish Teaching major. Application deadlines are Oct. 31 and Feb. 28. Application is done through the Educator database (http://educator.byu.edu). A teaching minor in another field is not required but strongly encouraged. For a list of teaching majors and minors, see https://education.byu.edu/advisement/majors_and_minors.html.

REQUIREMENT 7 Complete 1 option
OPTION 7.1 Complete 1 course
SPAN 491 - Senior Proficiency Evaluation 0.0

Note 1: An ACTFL Oral Proficiency Interview (OPI) Writing Proficiency Test and Reading Comprehension Test are taken in connection with Span 491. Before applying to student teach, students must achieve a minimum OPI rating of "Advanced-Low" to obtain Utah state licensure and to graduate.

Note 2: To qualify for Utah licensure, students must also pass the Praxis Spanish World Language exam at the state-specified cutoff level prior to student teaching. Contact Education Student Services or check their website for more information.

Note: Students are strongly encouraged to participate in a Spanish language/culture immersion experience, such as an LDS mission, Study Abroad program, internship, a semester in the Foreign Language Student Residence, or a service learning course.

THE MAJOR:
The BA in Spanish Teaching at Brigham Young University is designed to prepare students for professional licensure to teach Spanish in secondary schools. The program aims to develop a broad foundation in the Spanish language and Hispanic literatures and cultures, as well as the specific knowledge and skills necessary to teach Spanish to adolescents in public school settings. The Spanish Teaching BA program is one of nearly 30 programs in BYU’s Educator Preparation Program. As such, it also encompasses the general goals for all teaching majors at BYU (see http://education.byu.edu/sites/new_statement.html). The Spanish Teaching major is a limited enrollment program, which means that students must apply for admission to the program. Before applying, students must complete FLANG 276 (Exploration of Language Teaching), offered on the first block during Fall and Winter semesters. Immediately upon completion of 276, students may apply to the Spanish Teaching major. Application deadlines are Oct. 31 and Feb. 28. Application is done through the MyLink database (https://mylink.byu.edu/home/).

A teaching minor in another field is not required but strongly encouraged. For a list of teaching majors and minors, see http://education.byu.edu/ess/majors_and_minors.html.
