**THE DISCIPLINE**

The Strategy emphasis is designed to help students learn to develop strategies for improving performance in business, families, and individual lives. As the business environment becomes more complex, firms increasingly rely on strategy consultants to remain competitive. Strategy consultants affect change by collecting, reviewing, and analyzing information to make recommendations to management. Consultants may propose ways to improve an organization’s structure, efficiency, or profits.

**CAREER OPPORTUNITIES**

Strategy emphasis graduates often work in the following roles: consultant, research analyst, product manager, investment banker, and operations manager.

**GENERAL INFORMATION**

Students are encouraged to apply to the Marriott School of Business at the end of their sophomore year, as soon as they have completed the prerequisite courses.

Marriott School majors are limited-enrollment programs and the application process is competitive. For assistance in preparing for the application process, it is highly recommended that students visit the Marriott School Advisement Center.

**REQUIREMENTS FOR APPLICATION**

All new students entering the Marriott School commence their study at the beginning of fall semester. Admission into the Marriott School is based on consideration of the following:

- Prerequisite GPA
- 300-600 word essay
- Resume
- A review of the overall academic record

Prerequisite courses must be completed before the application deadline.
Any application with a prerequisite GPA below a 3.0 will not be considered. When prerequisite GPA is calculated, repeated or transferred courses will be discounted. See the Marriott School Advisement Center for more information.

TRANSFER INFORMATION
Transfer equivalencies for the following courses will not be considered: Acc 310, Fin 201, IS 201, and M Com 320.
