Most applicants apply to the BYU Marriott School of Business the summer after their sophomore year. Each program starts at the beginning of a new academic year.

- Deadline to apply for Fall is the last working day of June by 4:30 p.m.

The sequence of courses suggested may not fit the circumstances of every student. Students should contact their advisement center for help in outlining an efficient schedule.

Students are encouraged to complete an average of 15 credit hours each semester or 30 credit hours each year, which could include spring and/or summer terms. Taking fewer credits substantially increases the cost and the number of semesters to graduate.
