PROGRAM ADMISSION:
This is a limited enrollment program requiring departmental admissions approval. Please see the department office for information regarding requirements for admission to this major. Admission to the Department of Art does not guarantee admission to Brigham Young University.

Admission to the Department of Art is obtained by department application after completion of the prerequisite core and a portfolio review. For further details, please refer to art.byu.edu. Students will have two opportunities to apply to their program of choice—one in March and one in November. Please see General Information below for more details, or contact the college advisement center (1-801-422-3777).

TALENT AWARDS AND SCHOLARSHIPS:
All students are encouraged to apply for department talent awards.
and scholarships by January 15. Applications will open on November 15th. The application is available at https://artdepartment.slideroom.com.

THE DISCIPLINE:
The Department of Art serves three main purposes:
1) to prepare competent professionals in various fields of art;
2) to prepare art educators for teaching art at the elementary and secondary levels; and
3) to generally develop individuals’ aesthetic sense by helping them experience art.

CAREER OPPORTUNITIES:
The art education degree certifies the student as an art specialist, grades K-12, in public or private institutions. Other opportunities for the certified art specialist are in foreign school systems, recreation programs, art museum education programs, and galleries. Students qualify for positions in artist-in-the-schools programs and arts councils and as art critics and arts consultants/coordinators. The degree also provides a foundation for graduate study leading to advanced degrees.

TRANSFER STUDENTS:
Transfer students applying for art education will need to meet with Dr. Graham (3116B JKB, 801-422-5866, magraham@byu.edu). Transfer students will also need to submit an application.
