#### Notes:

- Students are encouraged to complete an average of 15 credit hours each semester or 30 credit hours each year, which could include spring and/or summer terms. Taking fewer credits substantially increases the cost and the number of semesters to graduate.

- Check with department for current availability of all courses.
The German and Russian Department requires a minimum of 18 hours of upper-division major credit to be taken in residence at BYU for this degree program. These hours may also be applied to BYU’s 30-hour residency requirement for graduation.

For students accepted into the major after August 1, 2014, grades below C in any required coursework in a teaching major or teaching minor will not be accepted. Teacher candidates must maintain a total GPA of 3.0 or higher throughout the program and to qualify for student teaching. For details on admission and retention requirements for teaching majors and teaching minors, see Educator Preparation Program (EPP) Requirements in the undergraduate catalog. A teaching minor in another subject is strongly recommended.
