BA in Spanish (555421)
2017-2018 Program Requirements (50 - 68 Credit Hours)

It is strongly recommended that StDev 317, a 2-credit-hour course, be taken at the end of the sophomore year or the beginning of the junior year. Because liberal arts degrees provide preparation in a variety of useful fields rather than a single career track, this course is recommended to help liberal arts students focus on specific educational and occupational goals and to identify the career options or educational opportunities available to them. The course will introduce them to the resources needed for accessing information about graduate schools, internships, careers, and career development. Students will learn basic employment strategies, including the steps necessary for obtaining employment related to their own specialty.

The Spanish and Portuguese Department requires a minimum of 18 hours of upper-division major credit to be taken in residence at BYU for this degree program. These hours may also go toward BYU’s 30-hour residency requirement for graduation.

THE MAJOR:

The Spanish BA provides comprehensive language instruction for students and an introduction to the literature and culture associated with Spanish, as well as tools for analyzing the language itself. Based on the liberal arts tradition, the Spanish major is designed not only to improve students' communication skills but to acquaint them with Hispanic linguistics, literature, and culture. The major serves the needs of students who plan to enter a government service, teaching, and graduate studies in literature, culture, linguistics, and pedagogy. It requires the development of communicative skills in the Spanish language as well as skills of close reading, literary and cultural analysis, the employment of tools of linguistic analysis, and the cultivation of strong writing skills. The major is intended to help students cultivate lifelong habits of reading and study, as well as provide them with practical tools for serving and working among a Spanish-speaking population.
