BS in Family & Consumer Sciences Education (734721)

2017-2018

Office of Education for teaching in public, private, and charter secondary education schools. This teaching license can be transferred to other states upon meeting individual state requirements. Students may also find employment in business and cooperative extension.

RESEARCH OPPORTUNITIES:

Contact your professor for this information.

INTERSHIPS:

Internships are granted by individual school principals on an "as needed" basis. They are an August to June contract and are applied for in January, the winter semester prior to the upcoming Fall school year.

Selection of interns is done through a competitive process. Participation in an internship does not guarantee employment.

CLUB:

Cougar FACS Club is a student affiliate of the Utah Family and Consumer Sciences and National Family and Consumer Sciences organizations.

FINANCING:

Many students work up to 20 hours per week. Some find employment on campus and some junior and senior students obtain teaching or research assistantships. Many of our students obtain summer jobs that make use of their training and interests.

SCHOLARSHIPS:

Scholarships specific to family and consumer sciences are available to qualifying students. For more information go to <https://familylife.byu.edu/Pages/Scholarships.aspx>

MAP DISCLAIMER

While every reasonable effort is made to ensure accuracy, there are some student populations that could have exceptions to listed requirements. Please refer to the university catalog and your college advisement center/department for complete guidelines.
