AURAL SKILLS EXAM AND PIANO PROFICIENCY:

Students are required to take an aural skills examination and may
take it in one of three ways: (1) in a group, at admissions
auditions on the last Saturday of January, (2) individually, at
the BYU Testing Center (call 801-422-6147 to schedule times), or
(3) individually by proctor at other locations (call the School of
Music office to arrange). Students may take the exam as many
times as desired to improve their score, but may not enroll in
theory core courses (Music 193, 195, 197) until the exam is
passed. Students who receive a score of 4 or 5 on the aural part
of the AP music exam are exempt from this exam.

Students who do not have a keyboard emphasis (piano or
organ) must complete the piano proficiency by the end of the
sophomore year. Students can fulfill the piano proficiency by
(1) taking one or both of Music 221, 222 or by (2) taking the
piano proficiency exam (call the School of Music for more
details).

THE DISCIPLINE:
The School of Music celebrates musical artistry and
understanding as core elements of the human experience,
crucial components of a liberal education, and central aspects
of a spiritual life.

In the School of Music, students learn self-expression and self-
discipline through rigorous practice and passionate
performance. They develop an acute sensitivity for
collaboration and artistic cooperation through intensive
ensemble work. In the study of music theory and history,
students learn to hear and appreciate various musical
languages, distinguish nuances of style, and discern the
connections between musical developments and their cultural
contexts.

Students learn in a variety of situations: private lessons, small
seminars, multimedia labs, ensembles, recitals, and lectures.
They are encouraged to participate actively in the vibrant
musical environment of the School of Music by attending
concerts, lectures, and workshops, and by contributing to the
student culture of independently motivated artistic
engagement. These experiences foster a holistic approach that
embraces academic rigor, artistic intuition, creative ambition,
physical grace, and expressive eloquence.

In pursuit of the University’s spiritual aims, students learn the
divinity inherent in creativity and the devotion expressed by the
nurturing of one’s craft.

CAREER OPPORTUNITIES:
The School of Music leads its students toward careers in
performance, studio teaching, music education, creating and
managing music projects for the media, recording and sound
technology, arts management, music journalism, composition,
and other music-related professions. Because the music
curriculum is rigorous, it is also an excellent pre-professional
course of study for those interested in fields as diverse as law,
business, library science, or medicine. Whatever degrees one
obtains, however, an education in music pertains not only to
earning a living through the art but also using the art to
enhance one’s satisfaction and joy in living.

BA, BFA, BM, MA, and MM degrees are available.

FACULTY:
The music faculty includes active performers, composers,
music educators, conductors, theorists, historians, and media
specialists who have chosen to mentor the next generation of
musicians. They remain involved in their areas of specialization
and are anxious to share the learning experience with students
entrusted to their care. Many of the faculty have received
prestigious recognition for their teaching scholarship,
performance, composition, directing, or producing.

The School of Music has a full-time faculty of 50, a part-time
faculty of 49, and a full-time staff of 13, all uniquely qualified
to serve the needs of a diverse body of students.

FACILITIES:
The department is housed in the Harris Fine Arts Center, a
comprehensive fine arts complex that includes five theaters,
two large rehearsal rooms, practice space, classrooms, two
piano labs, a multitrack automated digital recording studio,
and electronic music studios. Additional large rehearsal spaces
and teaching studios for music dance theater students are
found in the Richards Building.
