**Note:** The Department of French and Italian offers the following resources to strengthen language skills: conversation courses (FREN 211R, 311R, 411R), Foreign Language Student Residence, Study Abroad, and internships in French-speaking countries. Please refer to the specific program or course description for detailed information about these resources.

### GENERAL INFORMATION:

The Department of French and Italian strongly recommends that STDEV 317, a 1-credit-hour course, be taken at the end of the sophomore year or the beginning of the junior year. Because liberal arts degrees provide preparation in a variety of useful fields rather than a single career track, this course is recommended to help liberal arts students focus on specific educational and occupational goals and to identify the career options available to them. The course will introduce them to the resources needed for accessing information about graduate schools, internships, careers, and career development. Students will learn basic employment strategies, including the steps necessary for obtaining employment related to their own specialty.

### THE DISCIPLINE:

The study of French language and literature sharpens analytical and communicative skills.
Students develop proficiency in listening, reading, writing, and speaking, and they learn to use literature as a means to discover and broaden their understanding of culturally specific as well as universal issues and values.

CAREERS

Students who complete a BA in French Teaching are licensed to teach French at the secondary level in Utah. Many other states recognize the Utah teaching license and many students have received positions throughout the United States.

MAP DISCLAIMER
