MCKB for fingerprinting and an FBI background check. Allow 2-3 weeks
for processing. Fingerprint clearance is valid for three years only. If
clearance expires prior to student teaching, candidates must repeat the
fingerprint clearance and fee process. Failing to expunge or clear up a
police record of any kind prior to the background check may result in a
blocked registration while a review board investigates the charges.

Candidates who do not pass an FBI background check will be removed
from the teacher education licensure program.

COMPLETED BEFORE ENROLLMENT IN FLANG 276. NOTE: FLANG 276 IS THE

THE DISCIPLINE:

Students of foreign language and literature develop fluency in
another language as well as sensitivity to their own language
and cultural heritage, to the contributions and diversity of other
peoples, and to the advantages of an international perspective.

CAREERS:

Experience with the intellectual, artistic, and spiritual
expressions of other cultures and of their own culture helps
students qualify for advanced study at graduate and
professional schools, especially in linguistics, literature,
language teaching methodology, library science, humanities,
business, law, and medicine. Those who accept employment on
completion of the BA degree frequently serve in a government
agency, in international business, or in education.

LANGUAGE RESIDENCY PROGRAMS

German Language Study Abroad (Germ 201, 202, 311R, 344;
302 or 330). An opportunity for developing language
proficiency as well as for becoming better acquainted with the
history and culture
of Europe. Spring and Summer terms. Prerequisite: Germ 102 or equivalent.

**German Internship Program (Germ 311R, IAS 397R; Germ 399R or IAS 399R).** The BYU German program is pleased to offer a broad range of short-term internship opportunities in German-speaking countries. Students receive individual help to find and prepare for a work experience that will improve their German-language skills and provide a meaningful context for their academic studies. Completion of Germ 202, or an approved equivalent, with at least a B+ grade is required.

**Foreign Language Student Residence (Germ 311R).** An opportunity to live with other students who have pledged to use only German within the house and with head residents who are native speakers of German. Enrollment in a German class in addition to 311R is required while living in the house. Prerequisite: Germ 102 or equivalent.

**German-Speaking LDS Mission or Other Extended German-Speaking Residency.** Advanced students enroll in Germ 330 and, if desired, complete examinations for Germ 101, 102, 201, and 202.

**Study at a German University.** The department strongly recommends that students spend their junior year at a German university taking courses that will apply toward the major. Universities in Germany charge no tuition, so, even though living costs are generally higher, with careful planning and modest financial support, most students find they can study at “Provo parity,” that is, for about the same amount as a year of study in Provo. For advice about how to enroll and what financial support is available, contact the department office.

**MAP DISCLAIMER**

While every reasonable effort is made to ensure accuracy, there are some student populations that could have exceptions to listed requirements. Please refer to the university catalog and your college advisement center/department for complete guidelines.
