- Total Hours: 15.0

**Students are encouraged to enroll in illustration electives during junior and senior years in the program to focus on desired markets.**

Note: This degree program requires a minimum of 120 hours for graduation. Students are encouraged to complete an average of 15 credit hours each semester or 30 credit hours each year, which could include spring and/ or summer term. Taking fewer credits substantially increases the cost and the number of semesters to graduate.

### THE DISCIPLINE:

In the Illustration program at BYU, students learn skills that prepare them to excel in the competitive and evolving illustration market. Courses prepare students in how to manage personal business and marketing work as an illustrator.

The Illustration program’s graduates have excellent job placement working within the discipline. Students continue to win many prestigious awards. Internship and Study Abroad experiences are a bridge to professional practice. Nationally and internationally acclaimed artists are invited monthly to present to students.

### CAREER OPPORTUNITIES:

Illustration majors work in diverse genres and publishing markets, including children's books, young adult fiction, genre fiction, graphic novels, ebooks, editorial, advertising design, and corporate and institutional publications.

Many illustrators work as concept designers creating characters, environments, vehicles, and other digital artwork for entertainment productions. Other opportunities involve licensed products, toys and collectibles, online exhibitions, and private commissions. Illustrators often work in-house for production companies, in design studios, or as a freelance or a project basis.

### ADMISSIONS:

**Prospective BYU Students:** Prospective students wishing to be admitted into the Illustration program semester should apply to BYU through the regular admissions process at: https://www.byu.edu/admissions. Admissions deadlines are available at: https://admissions.byu.edu/application-deadlines. Admission to BYU does not guarantee admission into Department of Design degree programs. Prospective students are strongly encouraged to apply for department talent scholarships by the department deadline in December.

**Department Admissions:** Illustration is a limited enrollment program which requires students to apply for acceptance through a department admissions process. Admitted BYU students should declare their intent to major in illustration, before enrolling in DESIL 101, the pre-requisite course. Upon the successful completion of DESIL 101, students should submit an online portfolio of work for review.
Reviews are held at the end of Fall and Winter semester and Spring term. Apply online at: https://designdept.slideroom.com. Successful applicants go on to complete additional pre-major courses before applying for admissions to the Illustration BFA major.

**Major Admissions:** Upon completion of all pre-major courses, students apply for admission to the BFA major through a portfolio review held in June each year. Contact the department office in E509 HFAC for more information.

**Transfer Students.** Transfer students applying for admittance to the Department of Design are asked to submit an application and a portfolio on https://designdept.slideroom.com. Transfer applications for the Department of Design are reviewed year round by the illustration program. At the discretion of the area faculty, students are accepted into the department and placed at the appropriate level of study. Transfer applications are contingent upon acceptance into BYU, which is a separate application process. Admission to the department does not guarantee admission to Brigham Young University. For BYU deadlines refer to https://enrollment.byu.edu/admissions/deadlines.

**Note:** Students may apply to the Illustration pre-major and major programs twice.

**TALENT AWARDS AND DEPARTMENT SCHOLARSHIPS**

All students are encouraged to apply for department talent awards and other scholarships by the December 1st deadline. Online applications will open on November 1st. Apply online at https://designdept.slideroom.com.

**INTERNSHIPS:**

Students interested in pursuing an internship should meet with the Illustration Internship Coordinator for advisement about location and type of internship that will best prepare them for success in the industry.

**EQUIPMENT REQUIREMENTS:**

Illustration majors are required to supply their own computer to complete the majority of their coursework. In certain courses, highly specialized technology is made available in department labs and classrooms.

Recommended Configuration: Apple MacBook Pro (or equivalent Windows PC) with sufficient capacity to support Adobe Creative Cloud (including Adobe Illustrator, InDesign, Photoshop, Premiere, After Effects, and Adobe Fonts, formerly known as Typekit). An IPAD (with ProCreate) is a wonderful tool but is not an appropriate substitution for a MACbook because of its inability to run the Adobe Creative Suite.

Additionally, a design tablet and stylus are required, such as a Wacom Intuos Pro or Cintique. The BYU Store carries a full line of discounted computers, accessories and discounted software subscriptions.

**DESIGN EDUCATION LICENSURE:**

Licensure as a K-12 art and design educator is available in conjunction with a Illustration BFA degree through the Art Education licensure program in the Department of Art. The licensure program prepares students with a design background for teaching opportunities through a series of courses, including student teaching.

**DEGREE PROGRAM ADVISEMENT:**

Students should contact the college advisement center located in D-444 of the Harris Fine Arts Center, or call 801-422-3777 for information concerning undergraduate programs in the Department of Design. Program coordinators are also appointed to counsel students about program objectives, course content and sequence, career goals, and other matters pertaining to their major field of study.

The advisor for this major is:
