2019-2020 Program Requirements (63 - 66 Credit Hours)

This major is designed to prepare students to teach in public schools. In order to graduate with this major, students are required to complete Utah State Office of Education licensing requirements. To view these requirements go to <http://education.byu.edu/ess/licensing.html> or contact the Education Advisement Center, 350 MCKB, 801-422-3426.

Students who are interested in the program should meet with the Physical Education Teaching Education program director (249-D SFH) and Education Student Services (350 MCKB) in September of their sophomore year. THE DISCIPLINE

Students preparing to teach physical education and/or coach will have a variety of experiences that will enhance proficiency in the knowledge and skills requisite to work in the contemporary school setting. Majors learn to perform a variety of sport, fitness, and dance activities. After becoming proficient, students take courses and have practical experiences in teaching and coaching children, adolescents, and adults. The discipline is interesting and rewarding, and those in a teaching/coaching career help others pursue and practice healthy lifestyle habits.
