**REQUIREMENT 5 Complete 2 courses**

**COMPLETE THE FOLLOWING COURSES (NOT OFFERED SPRING OR SUMMER) DURING ONE OF LAST TWO SEMESTERS IN THE GERMAN STUDIES PROGRAM. THE COURSES MUST BE TAKEN CONCURRENTLY. GERM 400R PREPARES STUDENTS FOR PROFICIENCY EXAMS. GERM 401 POSTS THE CAPSTONE PAPER GRADE TO THE TRANSCRIPT.**

- GERM 400R - Fourth-Year Proficiency Tutorial 1.0
- GERM 401 - Capstone Paper 1.0

**THE DISCIPLINE:**

Students of foreign language and literature develop fluency in another language as well as sensitivity to their own language and cultural heritage, to the contributions and diversity of other peoples, and to the advantages of an international perspective.

**CAREERS:**

Experience with the intellectual, artistic, and spiritual expressions of other cultures and of their own culture helps students qualify for advanced study at graduate and professional schools, especially in linguistics, literature, language teaching methodology, library science, humanities, business, law, and medicine. Those who accept employment on completion of the BA degree frequently serve in international business, in education, or in a government agency.

**LANGUAGE RESIDENCY PROGRAMS**

- **German Language Study Abroad.** An opportunity for developing language proficiency as well as for becoming better acquainted with the history and culture of Europe. Offered Spring, Summer, or Fall, depending on the director. Required for the German minor, with rare exceptions.

- **Berlin Internship Program.** We offer a broad range of internship opportunities in Berlin and a few other locations. Students receive individual help to find and prepare for a work experience that will improve their German-language skills and provide a meaningful context for their academic studies. Students participate in a language course during the internship.

**Foreign Language Student Residence.** An opportunity to live with other students who have pledged to use only German within the house and with head residents who are native speakers of German. Enrollment in 311R is required while living in the house. Prerequisite: GERM 102 or equivalent.

**German-Speaking LDS Mission or Other Extended German-Speaking Residency.** Advanced students enroll in GERM 330 and, if desired, complete examinations for GERM 101, 102, 201, and 311R.

**Study at a German University.** The department recommends that students spend their junior year, if possible, at a German university taking courses that will apply toward the major. Universities in Germany charge no tuition, so, even though living costs are generally higher, with careful planning and modest financial support, most students find they can study at “Provo parity,” that is, for about the same amount as a year of study in Provo. For advice about how to enroll and what financial support is available, contact the department office.

**MAP DISCLAIMER**

While every reasonable effort is made to ensure accuracy, there are some student populations that could have exceptions to listed requirements. Please refer to the university catalog and your college advisement center/department for complete guidelines.
