**GRADUATION REQUIREMENTS:**

The requirements for the university core and for individual emphases are found on the MAP on the reverse side of this sheet. Additional instructions regarding credits necessary for graduation are as follows:
RELIGIOUS EDUCATION REQUIREMENTS:
Religious education hours are a requirement at BYU, but the actual number of hours varies for students with transfer credit. Contact the BGS Office for details regarding individual circumstances. No more than 18 total hours of religion may be counted toward the BGS degree.

ELECTIVE REQUIREMENTS:
Completing the university core and emphasis requirements will not necessarily provide sufficient credits for students to meet the overall BYU minimum credit hours needed for graduation. Students should be aware of the number of elective hours needed (preferably from the upper division level) in order for them to graduate.

MAP DISCLAIMER
While every reasonable effort is made to ensure accuracy, there are some student populations that could have exceptions to listed requirements. Please refer to the university catalog and your college advisement center/department for complete guidelines.
