* These courses fill both University Core and program requirements.

For University Core/program questions, contact the Advisement Center. For career questions, see the faculty advisor.

### Graduation Requirements:

- Minimum residence hours required: 30.0
- Minimum hours needed to graduate: 120.0

**BFA in Art (488041) MAP Sheet**

**Fine Arts and Communications, Art**

For students entering the degree program during the 2021-2022 curricular year. Please see the department office for information regarding requirements for admission to this emphasis. Admission to the Department of Art does not guarantee admission to Brigham Young University.

For information about admission to the program, see "Program Admission" section of this MAP.

**Note:** This degree program requires a minimum of 120 hours for graduation. Students are encouraged to complete an average of 15 credit hours each semester or 30 credit hours each year, which could include spring and/or summer term. Taking fewer credits substantially increases the cost and the number of semesters to graduate.

NOTE: It is recommended that students interested in pursuing interdisciplinary studies use university elective hours to complete a minor or courses that are relevant to and enhance their interdisciplinary focus and goals.

PROGRAM ADMISSION:
Admission to the Department of Art is obtained by department application after completion of the prerequisite core and a portfolio review. Students must take ART 101 through the Department of Art as part of the core courses (ART 133, 101, 102, and 226). AP credit does not fulfill this requirement. For further details, please refer to art.byu.edu. Students will have two opportunities to apply to their program of choice—once in March and once in November. Please see General Information below for more details, or contact the college advisement center (1-801-422-3777).

PROGRAM PURPOSE:
The BFA program is based in the exploration of ideas and aesthetics through traditional and experimental use of painting, drawing, printmaking, ceramics, sculpture, photography, and new genres. Students develop the power to think critically and to pursue their artistic vision in ways that will contribute to the larger community aesthetically, ethically, and spiritually. Through rigorous academic expectations and a direct mentoring environment, students are prepared to perform at the highest levels as artists, while maintaining the highest standards of honesty, integrity, and morality.

TALENT AWARD AND SCHOLARSHIP APPLICATION DEADLINE:
All students are encouraged to apply for department talent awards and scholarships by December 1st. Applications will open on November 1st. The application is available at https://artdepartment.slideroom.com.

TRANSFER STUDENTS:
Transfer students in art disciplines must meet with the appropriate faculty advisor. Transfer students are required to participate in a portfolio review; the deadline is March 15 for Fall semester, Spring term and Summer term, and November 15 for Winter semester.

Note: Students not accepted into BFA degree programs may elect to remain in the bachelor of arts program in art. Students may apply to the BFA program no more than twice.

BFA APPLICATION INFORMATION:
Sophomore-through-Senior BFA Degree Program Enrollment
Permission to enroll for BFA degree program courses is granted to students upon satisfactory development of skills and creative abilities demonstrated in a portfolio completed during the preceding year. Faculty will assess portfolios of work submitted by students wishing to enter the BFA program. (Please see our web page, art.byu.edu, or the secretary in E-515 for additional application details.)

BFA WITH LICENSURE OPTION:
The BFA is a professional degree. Students majoring in art may certify to teach in the public schools (K-12) concurrent with their BFA program. Please review the art education major requirements or contact the college advisement center. Note: This is NOT a second major.

CAREER OPPORTUNITIES:
BFA graduates are prepared for graduate studies, professional work with galleries, museums, and non-profit art centers, and for work in parallel disciplines and in a range of fields seeking creative thinkers and problem solvers. Many BFA students continue on to significant graduate programs and teach at universities and in public schools around the country. Many also use their creative training as designers, creative directors, illustrators, or in other related fields.
